

## education

/edʒə'keɪʃən/ (say ejuh'kayshuhn)

**noun** [C] 1. the act or process of educating; the imparting or acquisition of knowledge, skill, etc.; systematic instruction or training.

# Future Teachers Program

## 2020 Partner University Offerings

Our partner university's offer a range of courses to schools to suit their needs.

As part of the planning process schools should contact the university to determine suitability and availability.

Please be aware that studying to become a primary teacher requires completion of a science subject in addition to an English and mathematics subject.
