You should also now have access to MyHR Recruitment (TRACER) after receiving an email (Activation of your TRACER Account) to activate your account. Once activated, you should have received an Account Activation email confirming your TRACER account.

****Graduate applicants can activate their MyHR Recruitment (TRACER) profile; however, graduates are required to have current QCT registration and completed teacher qualifications prior to accepting engagements.***

4. MyHR Recruitment TRACER

MyHR Recruitment (TRACER) is the system used by DoE to source Replacement Teachers. The system assists with the shortlisting of available Replacement Teachers based on their qualified subjects/classes and/or preferences, school preferences and availability. Replacement Teachers must complete their MyHR Recruitment (TRACER) profile in order to be considered for temporary and casual engagements. It is important to ensure the following areas on your profile are completed: DRT/LRT (District or Local Relief Teacher)

- Contact Details (Phone, email, street address)
- Qualified Subjects and/or preferences
- School preferences
- Availability (Including ad-hoc unavailability) referred Teacher

A TRACER team member may contact you between 6:00am to 6:00pm to confirm engagements based on your suitability for the role. Qualifications MyHR Recruitment (TRACER) is optimised for the following browsers: Internet Explorer 11, Mozilla Firefox; Google Chrome and Apple Safari.

5. How to maximise your opportunities

The preferences you choose are important as it will affect how MyHR Recruitment (TRACER) shortlists you for the right role. As a reminder, you should regularly update your school preferences, availability and ad-hoc unavailability for potential engagements. Having a consistently accurate and up to date profile will maximise your engagement opportunities.

1. Keep your MyHR Recruitment (TRACER) profile up to date;
2. Remain professional and provide quality teaching; and
3. Network and build relationships with other teachers and school communities.

****Please note that if for any reason a Replacement Teacher does not undertake any Replacement Teacher work with DoE during a 12 month period, their TRACER profile will be deactivated and they will receive no further bookings through TRACER. If a teacher would like to remain on the system after this period, they will need to submit a new application via the Teacher Applicant Centre.***

6. Your Training: Mandatory Induction

All DoE employees are required to complete the on-line Mandatory All-Staff Training program through The Learning Place. New employees will complete the program and existing staff will complete a refresher training program annually. Replacement Teachers **must** complete all components of the mandatory training prior to commencing their first engagement. You are encouraged to print the record of completion and provide this to a school upon request.

The Mandatory All-Staff Training program will encompass:

- **Getting started:** Introducing the 'big picture' of why we do what we do and what guides our actions.
- **Working ethically:** The Code of Conduct, Standard of Practice, internal controls and ethical decision-making.
- **Protecting our information:** How to protect and manage information appropriately.
- **Working safely:** Our responsibilities to be safe, aware of hazards and risks, and follow instructions.
- **Protecting our students:** Respond appropriately when there is any suspicious of harm or risk of harm to students.

Additional modules required to be completed:

- Curriculum Activity Risk Assessment
- Student Protection
- Assisting Students with Physical Impairment

****Please note that graduate applicants must have current QCT registration and an approved application for teacher employment before they can undertake the Mandatory All-Staff Training.***

7. Expectations of Teachers

As a teacher, your responsibilities centre upon planning, preparing and delivering effective learning and teaching programs for every student in your allocated classes. You also have an important role in contributing to school planning and objectives, and assisting with the management of school resourcing. Assess students for developmental, feedback and reporting purposes

Every teacher is responsible for the following activities and tasks:

- Plan, prepare and deliver quality and effective teaching and learning programs in line with the Australian Professional Standards for Teachers - <https://www.aitsl.edu.au/teach/standards>
- Maintain competency and current knowledge of relevant curriculum programs
- Create supportive learning environments and effective behaviour management practices
- Provide for the physical, social, cultural and emotional wellbeing and safety of students while at school and assist in their progression towards effective citizenship
- Assess students for developmental, feedback and reporting purposes
- Maintain student records and samples of work and report on student performance to students, parents, the department and other stakeholders as required
- Participate in the collaborative development and evaluation of the curriculum and regularly monitor, through observation and evaluation, the effectiveness of the teaching program
- Participate in school decision making processes and professional development
- Establish and maintain appropriate interpersonal relationships between the school and community in keeping with the department's:
